

# What the Hell

## Chastity Belt

I had a lot of thoughts today  
I felt okay  
I can convince myself of anything  
So what the hell

But you tell me what I wanna hear  
Yeah you tell me what I wanna hear  
Sometimes I don't even know you at all  
So what the hell

I look at my phone again, I'll just wanna die  
Aside from that, I feel all right  
I know myself when I'm by myself  
But I'd rather be around you

Yeah you tell me what I wanna hear  
Yeah you tell me what I wanna hear  
Sometimes I don't even know you at all  
So what the hell

(What the hell)
