

All I wanna do is keep the peace on the streets of OKC  
That's all I wanna do

And all I'm gonna do is do my job and keep everyone safe  
That's all I wanna do

I swear that I signed up for this job with pure purpose  
I swear to you that

But my dark urges keep invading my brain  
What'm I supposed to do?

So yeah  
I'm in the garage  
Working on my abs  
Swanson in the microwave  
Single dad

Serving Jesus Christ  
Everyday of my life  
Took an oath  
With the OKCPD  
When I was 25

All I wanna do is be a good person  
All I wanna do is do right to my fellow man  
All I wanna do is do right  
Cause there's dark purpose in my head

Know what I think?  
I'll be lifting weights all night long  
Hungry Man  
Drew Carey on the TV  
Whose Line is it Anyway?  
WHOSE LINE IS IT ANYWAY?

Once when I was fifteen, me and my brother  
Found a stray dog and cut its throat  
Dissected it's body in the woods by our house  
Buried it behind the shed in the garden  
When I was young, I didn't know what it meant  
But it's stuck with me everyday, and I think about-  
What it would be like to see your face cut open  
What it would be like to see your body cut open  
What it would be like to see my body cut open  
What it would be like to see my body dissected

Waiting for the end  
Waiting for  
Mass extinction  
Quiet earth  
Mass extinction  
Slaughterhouse
