My blood is dirty garbage water  
My flesh- a husk  
My blood is dirty garbage water  
My skin- a husk  
I'm coming apart at the seams  
I'm coming apart at the seams  
My blood is dirty garbage water  
My flesh- a husk  
And I'm coming for your children  
I'm coming for your children  
I'm coming for your children  
I'm coming for your children  
I'm garbage

My blood is dirty garbage water  
My flesh- a husk  
And I'm coming for your children  
I'm coming for your children  
I'm coming for your children  
I'm coming for your children  
I'm garbage

My blood, my blood  
I'm garbage
