

Normal night
It should be
Just trying to live a
Normal life
OK?
It was the image that brought me back but
Listen, I don't want your presence
Purple man
Smoking weed in my bedroom
Don't want you
I don't need you
Don't think I'd forget
You hurt me in a past life
And you were so strange once
At least stranger than you are now
At least stranger than you are now

Ok, it's true
I want to wear your flesh
When I look through my eyes
I wanna be
You

Ok, it's true
I want to wear your flesh
When I look through my eyes
I wanna be
You

I'm a monster too
I'm a monster too
I'm a monster too
I'm a monster too
I'm a monster too

But
Somehow I'm just
Driftin

Purple man
Get out of my room
New spoon
Stolen
Gleaming light
I think back to the time
Fondly
That one time
I felt sick but I zen'd out
And it boiled in no time
I felt good in no time
I felt good in no time
I fell asleep
In your forgotten pleasures
There was no time
No time

Purple man

Stop coming into my room
Stop looking at things that aren't meant for
You
Purple man
Stop coming into my room
Stop looking at things that aren't meant for
You

I'm twisted
And frail
Broken up
I'm purple
I'm purple man, too
I'm purple man, too
I'm purple man, too

I'm trying to kill myself
If you don't mind
That's why I locked the door
I just need some privacy
If you mind I'm gonna
Open the window now
And jump out
Face first
I know we're not that high
But if I do it right
I could break my neck
I don't want to be alive
I don't want to be alive

Animal
Pyramid
Christ

I had a question
But not anymore now
I try not to at least
I try not to
I just stare at the wall
How long?

Face forward
Eyes open
Look away, alright?
Look away
Demon
Face, no, shut up
Demon, face, no, shut up
Face
Shut up
Okay
Shut up

I'm fine, okay?
I'm fine
No seriously
Leave me alone
Leave me alone
You've been gone a long time

Fuck

Leave me alone, purple man

Leave me alone, purple man
Stupid, no, shut up, stupid, fucking stupid
Shut up, shut up, shut up

I don't want to be alive anymore
Do you?
Do you?
Do you?

Stupid
But you already knew that
You already knew
You weren't supposed to see this
You weren't supposed to see this
But here it is
Here it is
Here it is
Here it is
Here it is

No more
No more

Face first
I don't want it
But here it is

Grimace
