

Sorry for asking again  
I understand why you don't  
Why I should just close my mouth  
Like I don't get the joke  
Like I don't get the joke

I'm strange  
I'm wild  
I'm free  
I'm fine but  
Don't ask me in  
Don't tell your friends

I trust and bleed  
I trust and bleed  
I trust and bleed  
I trust and bleed  
I

I caught you laughing again  
I know I'm lower than scum  
I need to keep my mouth shut  
Before I look fuckin' dumb  
Before I look fuckin' dumb

I'm strange  
I'm wild  
I'm free  
I'm fine but  
Don't ask me in  
Don't tell your friends

I trust and bleed  
I trust and bleed  
I trust and bleed  
I trust and bleed  
I trust and bleed  
I trust and bleed  
I trust and bleed  
I trust and bleed

You caught me talking again  
You said you don't wanna fight  
But you could stop this right now  
You could save me tonight  
You could save me tonight

I'm strange  
I'm wild  
I'm free  
I'm fine but  
Don't ask me in  
Don't tell your friends

I trust and bleed  
I trust and bleed  
I trust and bleed

I trust and bleed  
I trust and bleed  
I trust and bleed  
I trust and bleed  
I trust and bleed  
I trust and bleed  
I trust and bleed

It's your world  
It's your world  
It's your world  
It's your world  
So cut  
Cut me open  
Cut me open  
Cut me open  
Trust and bleed
