

Tape

Chat Pile

The wheels spin loose
My head explodes
Their face, my eyes
Don't care, don't know

If I could I'd kill them all
If I could I'd kill them all
If I could I'd kill them all
If I could I'd kill them all

It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw

Earth keeps the most vile things displayed
Faces alarmed
No truth, too late
Wanted out of the space
No way
Nothing
It's all there on the tape

If I could I'd kill them all
If I could I'd kill them all
If I could I'd kill them all
If I could I'd kill them all

It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw

I guess someone had to see
Someone had to be horrified by what they had done
Someone had to say something or it would have gone on forever
So I can't wish I didn't stop it, I can't wish that

They made tapes
They made tapes
They made tapes
They made tapes

We shouldn't have gone onto that property
And even still further into the house
We should have let someone know and they could have handled it
Someone else could have handled it

They made tapes
They made tapes
They made tapes
They made tapes

It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
It was the worst I ever saw
