Why do people have to live outside?
In the brutal heat or when it's below freezing
There are people that are made to live outside
Why?

Why do people have to live outside
When there are buildings all around us
With heat on and no one inside

Why do people have to live outside?
In tents, under bridges
Living with nothing and horribly suffering
Why?
Why do people have to live outside?
We have the resources
We have the means

Why do people have to live outside?
I couldn't survive out on the streets
I've never had to push all of my shit around in a shopping cart, have you?
Have you ever had ringworm?
Scabies?
Have you ever had to live outside?
I don't want to live outside

Why do people have to live outside?

Horror story
Real American horror story
And it's a fuckin' tragedy
Fuckin' tragedy
Every day
Every day
People have to live outside
