

Everyday You Make Me Crazy

Cheap Trick

Nothing less
Nothing less
It just fits
Never quits

Nothing feels
Feels so great
You amaze me
Everyday you make me crazy

It's a chance
Tommy lied
Kiss comes first
Feels so right

In this life
In my world
You amaze me
Everyday you make me crazy
Everyday you make me crazy
Everyway you amaze me
Everyway you amaze me
Everyday you make me crazy
Everyday you make me crazy
Everyway you amaze me
