

Good Girls Go to Heaven (Bad Girls Go Everywhere)

Cheap Trick

Some girls do Some girls don't
Don't mean type Don't mean smoke
Lay me down Can't seem to sleep
My mind's been thinkin' real deep
All my thoughts are runnin wild Out of control-outta my mind
'Cause good girls go to heaven Bad girls go everywhere
If I had my choice of women
I'd pick the ones that'd go anywhere
All good girls they go to heaven
All bad girls go everywhere they like
Late at night When she comes out
The lady moves Prowls the town
A perfect match Of looks and charm
Where she goes It's light and dark
She's so hot I burn my tongue When I kiss her lips she turns me
on
Good girls go to heaven
Bad girls go everywhere
If I had my choice of women
I'd pick the ones that'd go anywhere
All good girls they go to heaven
All bad girls go everywhere they like
