

# Merry Christmas Darlings

Cheap Trick

It lifts me up this time of year  
When hearts are full of yuletide cheer  
So Merry Christmas darlings  
Merry Christmas everyone now

The smell of cakes are in the air  
The party's filled with holiday fare  
So Merry Christmas darlings  
Merry Christmas everyone now

La, la, la, la...

Let's celebrate this happy time  
And think of all that's good tonight  
So Merry Christmas darlings  
Merry Christmas everyone now

Santa comes but once a year  
Gives to all that we love dear  
So Merry Christmas darlings  
Merry Christmas everyone now

La, la, la, la...

Another year about to end  
So peace on earth goodwill to men  
So Merry Christmas darlings  
Merry Christmas everyone now

La, la, la, la...
