

Please Come Home For Christmas

Cheap Trick

Bells will be ringing the glad glad news
Oh, what a Christmas to have the blues
My baby's gone, I have no friends
To wish me greetings once again
Choirs will be singing Silent Night
Christmas carols by candlelight
Please come home for Christmas
Please come home for Christmas
If not for Christmas, by New Year's Night

Friends and relations send salutations
Sure as the stars shine above
Because it's Christmastime, my dear
The time of year to be with the one you love

Dear, won't you tell me you'll never go wrong
Christmas and New Year's will find you home
There'll be no more sorrow, no grief and no pain
And I'll be happy, I'll be happy once again

So won't you tell me you'll never go wrong
Christmas and New Year's will find you home
There'll be no more sorrow, no grief and no pain
And I'll be happy, I'll be happy once again

Mmmmm, no more sorrow, no grief and no pain
'Cause I'll be happy Christmas once again
