

## So It Goes

Cheap Trick

Oh, babe, the fall will mark the time we said goodbye  
Now spring is here, alone and still I wonder why  
Amazed that time flies by so fast or so it seems  
If mountains pour into the sea  
I thought there'd still be you and me

And so it goes  
My love for you had just begun  
To show  
And I know  
The end I guess was meant to be  
It's clear  
What you mean to me

And so it goes  
My love for you had just begun  
To grow  
And I know  
The end is always how could I  
Have known  
You'd really go?

Oh, babe, the fall will mark the time we said goodbye  
Now spring is here, alone and still I wonder why
