

The Ballad of T.V. Violence (I'm Not the Only Boy)

Cheap Trick

I needed a girl to give me some love
I need some love, gimme your love
Gimme your love

I need a knife to give me a wife
I need a knife, gimme your life
Gimme your life

I need a gun to have me some fun
I need a gun, (gimme your love
Gimme your love)

I need some rope, it's my only hope
(after twenty or so) I just don't know
I needed a girl to give me some love
I need some love, gimme your love
Gimme your love

I was a lonely boy
I was a lonely boy
I'm not the only boy
I was a lonely boy
I was a lonely boy
I'm not the only boy

I needed a girl to give me some love
I need some love, gimme your love
Gimme your love

I need a knife to give me a wife
I need a knife, gimme your life
Gimme your life

I need some rope, it's my only hope
And why you fight it so I just don't know

I needed a girl to give me some love
I need some love, gimme your love
Gimme your love

I was the lonely boy
I was the lonely boy
I'm not the only boy

I'm not the only boy, no
No no no
