```
Some days I just don't feel
Like I know my own mind
And times I feel that I belong
It's no disquise, this love of mine
Who knows what forever is about
Be with you always in a day
Tomorrow never knows
And time waits for no one
It's a mystery anyway
If I could, I would
But I can't, so I won't love you forever
My, just the rest of my life
Will this ever pass or fade away?
Will this ever change or go astray?
Will I always be there where you are?
It's a mystery anyway
If I could, I would
But I can't, so I won't love you forever
My, just the rest of my life
If I could, I would
But I can't, so I won't love you forever
My, just the rest of my life
