

You Drive, I'll Steer

Cheap Trick

I'd like to see you
I'll take your hand
And when I pull out
You'll understand
See me when you're lookin' for love
A naked lie from the heavens above

I've been around
Since I don't know when
I've got some lovers
That you could rent
I seek you when I'm diggin' for gold
I feel alive since my soul was sold

I'm scared thinkin' about the 4th of July
Can't seem to fight it, it can't be denied
I've got more than that on my brain
I've got so much, it'll drive you insane

You drive, I'll steer
Everybody else, steer clear
'Cause I'm sitting pretty
I'm in the lap of luxury
I'm in the lap of luxury
'Cause when I get to the top
And I don't want to stop
'Cause I like it, like it
I love it, love it
I like it a lot, wooo

You want a real look
At paradise
Simple pleasures
Just won't suffice
See me when you're lookin' for love
A naked lie from the heavens above

I'm in color, and you're black and white
Let's start the rumors from heaven tonight
I've got a penthouse in Manhattan Place
Come up and see me if you want a taste, yeah

You drive, I'll steer
Everybody else, steer clear
'Cause I'm sitting pretty
I'm in the lap of luxury
I'm in the lap of luxury
'Cause when I get to the top
And I don't want to stop
'Cause I like it, like it
I love it, love it
I like it a lot, wooo

Sitting pretty
Sitting pretty

You drive, I'll steer

Everybody else, steer clear
'Cause I'm sitting pretty
I'm in the lap of luxury
I'm in the lap of luxury
'Cause when I get to the top
And I don't want to stop
'Cause I like it, like it
I love it, love it
I like it a lot, wooo

You drive, I'll steer
Everybody else, steer clear
'Cause I'm sitting pretty
I'm in the lap of luxury
I'm in the lap of luxury
I'm in the lap of luxury
I'm in the lap of luxury
Yeah when I get to the top
And I don't wanna stop
'Cause I like it, I love it, I like it
I'm in the lap of luxury
I'm in the lap of luxury
I'm in the lap of luxury
