

# Back Again

## Cheat Codes

Funny seein' you here  
I thought you moved out of town to study somethin'  
It suits you well with short hair  
And that hoody you're always wearin'

See, we broke up for like a hundred million different reasons  
But here we're standin' two years later laughin' like it's nothin'  
You're still a version of yourself that lately, I've been missin'  
And for some reason

I wanna dance all night to this tribute band  
And pretend you're mine, that we're back again  
Only for tonight, I might take your hand  
And pretend you're mine, that we're back again

Back again  
Back again

I don't know why I came here  
I suppose it's obvious I kinda miss it  
The things I'll never have again  
Let's stay in this moment now, soon it'll be gone anyhow

See, we broke up for like a hundred million different reasons
