Bets On Us

Cheat Codes

Ain't ever been the gambling type
Ain't ever liked leaving things to chance
But you and me we're two of a kind

And I ain't one for tempting fate
Wouldn't say that I've been lucky in the past
But this time I'm keeping the faith

'Cause they say you know when you know
And we're on a roll
Yeah we got a chance worth taking
I'm gonna throw on a hope
'Cause I know my heart don't lie
So

I've got all my bets on us
A sure thing I can feel it in my blood
Gambling on this game of love
Everyone's a winner here
I'm counting aces when I hold you
I'm all in if you are too
Yeah I've got all my bets on us
This kinda love don't lose

This kinda love don't lose

This kinda love don't lose

Cashing out the jackpot now
Ain't never had a win as big as us
They call us high rollers in this town

Who wants to be a millionaire
Well I already am when it comes to love
Got everything I need with you right here

Yeah they say you know when you know
And I know my heart don't lie, yeah
So

I've got all my bets on us
A sure thing I can feel it in my blood
Gambling on this game of love
