Between our hearts
Between our hearts
Don't you go and tell no one
When I show you how I feel about you
Can you keep it
Between our hearts?
Between our hearts
Don't you go and tell no one
When I show you how I feel about you

Got this feeling coming over me
Like a fire, I'm running through
A fire, I'm running through
Lock it up and throw away the key
We'll go anywhere we want to
Do anything we want to

Tonight
There won't be no lies

Between our hearts

Between our hearts
Don't you go and tell no one
When I show you how I feel about you

Got your hands touching all over me
We've been waiting to be alone
Been waiting to be alone
How we melt together in the sheets
Baby, nobody has to know
Yeah, nobody has to know

Tonight
There won't be no lies

Between our hearts
Don't you go and tell no one
When I show you how I feel about you

When I show you how I feel
It is only for your eyes baby
If I give you something real
(If I give you something real, yeah-yeah)
There can never be no lies
So don't you go and tell no one
