Up and down, and 'round and 'round, I'm high, then I'm low (Low)  
Too low

Feel like a puppet (Oh, oh)  
Like someone's pullin' my strings  
I tried to stop it  
But you're still under my skin  
Feel like a dummy  
I don't know who's in control  
Yeah, I'm dummy (I'm a dummy)  
But I can't help myself, no, no, no

Lovin' you is like killin' myself, yeah

I don't know who's in control
