

I Just Wanna

Cheat Codes

I just wanna ride with ya all night
I just wanna fly with ya so high
I just wanna ride with ya all night
I just wanna fly with ya so high

High in the club or hiding in your basement
Under the covers, shoot me into space

Oh my, there's something in the way that you move
So fine, Swayze got nothing on you
No lie, makes me feel like angels do

(So high)
