Cheat Codes

This is where it's going down
This is the location
Light it up and throw it back
No negotiation
Oh, no way
Ain't no time to play
This is where it's going down
This is the location

Day and night
Lost in the game
On and on
Always the same
Thinking we could change it
Here's an invitation
This is where it's going down
This is the location

This is where it's going down
This is the location
Light it up and throw it back
No negotiation
Oh, no way
You can't keep away
This is where it's going down
This is the location

This is where it's going down
This is the location
Light it up and throw it back
No negotiation
Oh, no way
You can't keep away
This is where it's going down
This is the location

Here and now
That's the situation
Gone too far
Let's bring it back to basics
Oh oh
If you need an explanation
This is where it's going down
This is the location

It would be the end of me, I know it, yeah
I love the way my heart beats in the moment, yeah

Day and night
Lost in the game
On and on
Always the same
Thinking we could change it
Here's an invitation
This is where it's going down
This is the location

This is where it's going down
This is the location
Light it up and throw it back
No negotiation
Oh, no way
You can't keep away
This is where it's going down
This is the location

This is where it's going down
This is the location
Light it up and throw it back
No negotiation
Oh, no way
You can't keep away
This is where it's going down
