

I'm feeling lucky, la la la la
I might be short on money but as long as I dance
I'm feeling lucky, la la la la
Just wanna move my body and I'll take any chance

Just wanna move, wanna move my body, body
Just wanna move, wanna move my body, body
Just wanna move, wanna move my body, body
Just wanna move, move, move my body

I'm feeling lucky, la la la la
I might be short on money but as long as I dance
I'm feeling lucky, la la la la
Just wanna move my body and I'll take any chance

Just wanna move, wanna move my body, body
Just wanna move, wanna move my body, body
Just wanna move, wanna move my body, body
Just wanna move, move, move my body
