Laying on top, we got underneath
You're actin' cold, cold as the sheets
Doin' the math, you're lyin' to me, yeah
This don't add up, got me confused
Can't have your cake and eat it too
All of the times I waited for you, yeah

One, two, three, four, five
Got me wide awake at night
Countin' down until it's time, yeah

It's like mathematics
Broke me into fractions
But I keep comin' back for more
Like those hundred times before
We can't deny it
Our love's undivided
And I keep comin' back for more
Like those hundred times before

O-O-One, two, three, four, five

How many nights are we on the phone?
You're back and forth and you gotta go
Too many problems we never solve, yeah
This don't add up, got me confused
Can't have your cake and eat it too
All of the times I waited for you, oh

One, two, three, four, five
Got me wide awake at night
Countin' down until it's time, yeah

It's like mathematics
