## Cheat Codes

Hands wrapped tight around your waist  
Staying up and talking late  
Kissin' 'cause I love the taste  
Till we fall asleep

No calling me late at night  
Just to start another fight  
You don't know how to love me right  
Baby, can't you see

Oh, why you let a good thing go to waste  
This could be, this could be  
Us, but I guarantee  
That we would never be  
More than a memory, yeah

This could be, this could be  
Us, but I guarantee  
That we would never be  
More than a memory, yeah
