

# The Concept

## Cheat Codes

Yeah, here comes the concept  
No more stress for me, [?]  
Please don't step to me, I might flex  
Need more checks, I came to collect  
Uh, here comes the concept  
YSL all over my chest  
Please don't step to me, I might flex  
Need more checks, I came to collect

(Uno, dos, tres)

Yeah, here comes the concept  
No more stress for me, [?]  
Please don't step to me, I might flex  
Need more checks, I came to collect  
Uh, here comes the concept  
YSL all over my chest  
Please don't step to me, I might flex  
Need more checks, I came to collect

I keep my feelings inside  
I talk to the man in the mirror sometimes  
Don't try to come get me, I'm willing to die  
Yeah, I feel it coming in the air tonight  
Reach, keep them hands in the sky  
You cross on my people, to me, that's a crime  
Preaching to me, that's a lie  
Counting my money, I need every dime

Need more checks, I came to collect  
(Here comes the concept)  
Need more checks, I came to collect  
(Ta ta ta ta ta ta ta ta ta)  
Please don't step to me, I might flex  
(Uno, dos, tres, go)

Yeah, here comes the concept  
No more stress for me, [?]  
Please don't step to me, I might flex  
Need more checks, I came to collect  
Uh, here comes the concept  
YSL all over my chest  
Please don't step to me, I might flex  
Need more checks, I came to collect
