'Cause you know we'd have to wait in the line

Or would you be up for the ride?

If what we did in public  
Wasn't all recorded  
Then put up on Perez

If we don't hide our face  
Under shades that are imported  
Would you still feel the same  
When I'm just not that important?

If they say I'm washed up  
Would you still be in love?  
If I'm on the way down  
Would you stick around when I'm off the wave?  
If they say I'm washed up  
Would this still be enough?  
If I'm back underground  
Would you stick around or forget my name?

Would you stay? Would you stay? Would you stay, yeah?  
Would you stay? Would you stay? Would you stay, yeah?
