

# What's It Gonna Take

## Cheat Codes

What's it gonna take to drive down your street  
And not check who's parked in your driveway?  
What's it gonna take to not think she'll cheat?  
I can't trust nobody these days

I'm so tired of second guesses  
Sleepless nights and countless questions  
Bottles empty, head's a mess  
And I don't know what to do

What's it gonna take, what's it gonna take to get over you?  
I'd do anything, I'd do anything to get over you  
I've been to every bar, drank all the whiskey  
But, baby, nothin' really ever seems to fix me  
What's it gonna take, what's it gonna take to get over you?  
Oh, over you

(Over you)

They say give it time, hell, I gave it six months  
The time ain't the answer this time  
Go out every night like you just turned twenty-one  
Last thing I need is a rewind

Meet a girl and steal a kiss  
Send her home when mornin' hits  
A rebound's just another miss  
And that ain't gonna fix it, no

What's it gonna take, what's it gonna take to get over you?  
I'd do anything, I'd do anything to get over you  
I've been to every bar, drank all the whiskey  
But, baby, nothin' really ever seems to fix me  
What's it gonna take, what's it gonna take to get over you?  
Oh, over you

(Over you)

What's it gonna take, what's it gonna take to get over you?  
I'd do anything, I'd do anything to get over you  
Oh, over you  
I've been to every bar, drank all the whiskey  
But, baby, nothin' really ever seems to fix me (Seems to fix me)  
What's it gonna take, what's it gonna take to get over you?  
Oh, over you

Yeah (Over you)  
Oh, it's so damn hard

Oh, what's it gonna take?  
Oh, yeah  
To get over you  
Oh, girl  
Oh, girl, what's it gonna take?
