My ear, my neck, my teeth, my wrist and my pinky, splash  
My ear, my neck, my teeth, my wrist and my pinky, splash

They all diamonds, diamonds, diamonds  
They all diamonds, diamonds, diamonds  
They all diamonds, diamonds, diamonds  
They all diamonds, diamonds, diamonds

My ear, my neck, my teeth, my wrist and my pinky  
Your bitch she want me cause she think that I'm easy  
I take your bitch and put her in some Givenchy  
Your bitch she want me cause she see that I'm eating  
A lot of niggas talking behind the back door  
I take what I want and you keep what you ask for  
I understand the game, I do what it say so  
These niggas lazy, what the fuck did you came for  
I'm pulling out tonight, I'm bout to surprise em  
I'm swagging swaging, know she make me embarrassed  
Them diamonds lying, boy I don't see no clarity  
I'm throwing this money, I should get a charity

My neck and my wrist and my ear and my pinky  
The pack on me nigga, you know that it's stinking  
I'm running the check up, fuck nigga believe me  
I don't fuck with bitches right now cause they scheming  
My diamonds so shiny, these niggas they watching  
My diamonds so shiny, these niggas they plotting  
My diamonds so shiny, these bitches they combing  
My diamonds so shiny, these bitches they running  
Before you [?], ice cream cones on me like [?]  
Got these bitches talking bout whole thing  
And I don't roll with him cause he don't mean, mean no good  
Got these diamonds on me  
I just caught a play in Arizona  
You can call me [?]  
Or fuck around and call me [?] jabroni  
Cause I got all these diamonds on me
