Running back running back  
I say running back today  
Running back today  
I just caught a play I just caught a play  
I just touch down on these niggers  
I just caught a play running back today  
Running back today  
I just left the loui store I just caught a play  
I just left the liquor store I just caught a play  
I just left the mall yo I just caught a play  
Hey I just caught a play  
I just caught a play  
Hey I just caught a play  
Hey I just caught a play  
I just caught a play whoa  
I just caught a play  
When I told my homies niggers call me Jose  
I just caught a play  
Running back today  
OK I just caught a play I just caught a play  
I just caught a play I just caught a play  
I did leave the lui store and then check up everything  
With them thick bitches sending hoes my way  
I just caught a play I just caught a play  
I just caught a play I just caught a play  
Fucking up the liquor store Roney checks up everything  
I just caught a play I just caught a play  
Caught back sex I just caught a play  
Running through these hoes I just call a maid  
Hold on wait a sec trying to get her flat  
I won't fuck around this bitch too much again  
Got some hoes in Canada trying to come to Ace town  
Got some hoes in Cali just sent a couple pounds  
I just caught a play with my nigga coke dealer  
I just caught a play and we talkin bout elves  
I just caught a play fuck how do it feel  
I just caught a play put our houses up on the hill  
I just caught a play got a pent downtown  
I just caught a play with a 1000 of them pounds  
I just caught a play I just caught a play  
And they say you say we goin crazy  
I just caught a play I just caught a play  
And I'm killing all these bitches like my name was OJ  
I just caught a play I just caught a play  
I just caught a play I just caught a play  
I just left the lui store running check ups everyday  
With them thick bitches sending hoes my way  
I just caught a play I just caught a play  
I just caught a play I just caught a play  
Fucking up the liquor store Roney checks up everything  
I just caught a play I just caught a play
