This Night (□ □)

CHEEZE

It really hard to do
But it's alright
You don't have to be alone
This is enough to you. That is alright

Please come down, and figure out
Follow me with your breath
I don't need anymore
Hold me now I'm so cold
This is all about you now

I know I'm trying. Without crying.
Everydays are gloomy.
Because I'm losing you.
So how you doing.)
