

We are carnivore you know what we're coming for  
You got nowhere to hide  
So what you're running for?  
We are carnivore you know what we're coming for  
The type of creature that your papa used to warn you for

Hardcore carnivore waiting for the doc to call  
Tell them what's happening and then ask him what he's got in store  
I'm up for all of it but none of them will got the balls  
If you ain't gonna finish it  
Than what the fuck the start is for?  
Just ate a lot of McNuggets  
I just got drunk at McDonalds  
The cops are busting my ass  
I filled my pockets with muffins  
I just love 'm, I tried to run but they caught me  
And then they punched me in the stomach and I'm coughing up nuggets

We are carnivore you know what we're coming for  
You got nowhere to hide  
So what you're running for?  
We are carnivore you know what we're coming for  
The type of creature that your papa used to warn you for  
We are carnivore you know what we're coming for  
You got nowhere to hide  
So what you're running for?  
We are carnivore you know what we're coming for  
The type of creature that your papa used to warn you for

I'm bad ass come ride with me  
And test airbags in your Cadillac  
Compare that one ride with me with your last ten years in Bagdad  
Scrap that, I never been there, I can't back that  
Back this, them airbags won't stand a chance your fat ass  
Let's test it  
Never really being good at compliments but you're pushing my head to the glass man  
I'm fast man, ask them I'm everything you can't stand  
I'm gon' lose my shit and flip that script  
I'm just a mad man  
I'm gon' lose my shit and flip that whip until we crash land  
Flip that script I'm just a mad man (mad man)  
Flip that script I'm just a mad man (mad man)  
Flip that script I'm just a...
