

Homesick

Chef'Special

I'm homesick I don't know where my home is
I'm homesick I don't know where my heart fits
And I'm weightless I'm passing through these places
I'm weightless stuck between silence and praises

Now who is counting days so long I've been away
Am I lost or free I don't want it to be all about me
Am I lost or free I don't want it to be all about me

But I'm selfish just minding my own business
I'm selfish and I can't seem to fix it and I don't
Want you thinking I'm indifferent cause I'm
Homesick but the road is waiting
It called me and there's no escaping
There's hardly time for goodbye kisses
Goodnight wishes it's all in the game
But I don't need anything no if only you could
Sing me sometimes
Of those fun times of those long times ago

Now who is counting days so long I've been away
Am I lost or free I don't want it to be all about me
Am I lost or free I don't want it to be all about me
