Chef'Special

I can be the good guy
Living the good life
I can push all the people closest to me away and I do it in no time

I can turn daylight
Into moonshine
I can count all my blessings and never learn any lessons at the same time

Ayo

I got skills
Bad luck is in my bones
Always making me feel
I'ma break a good thing down down down yeah
Ooh in trouble since I was born
Never catch a break until
I let it go 'cause I got my skills
I let it go 'cause I got my

I'll never be the man you need
To make everything alright
I'll never be seven-days-a-week-24/7 nine-to-five

But I can be your best night in a long time
I'm an accident waiting to happen in the right place at the wrong time

I got skills
Bad luck is in my bones
Always making me feel
I'ma break a good thing down down down yeah
Ooh in trouble since I was born
Never catch a break until
I let it go 'cause I got my skills
I let it go 'cause I got my

I got skills
Bad luck is in my bones
Always making me feel
I'm'a break a good thing down down down yeah
Ooh in trouble since I was born
Never catch a break until
I let it go 'cause I got my skills
I let it go 'cause I got my

Gold medals most unlikely
But I know that there's no one like me
I know how to break a good thing down down down yeah

Rose petals most unlikely
I know that there's no one like me
I know how to break a good thing down down down yeah ooh

I got skills
Bad luck is in my bones
Always making me feel
I'ma break a good thing down down down yeah
Ooh in trouble since I was born

Never catch a break until
I let it go 'cause I got my skills
I let it go 'cause I got my skills
