

# Trouble

Chef'Special

I'ma dance with the devil like I got  
Nothing to lose  
Fall down featherlight  
I'ma dance cause you're devil-like  
You crossed the line a hundred times  
Overriding wrongs and rights  
Fell down feather-like

You make me wish I'd never grow up but I've grown up  
I wish you'd never shown up but you showed up  
I wish I'd never grow up but I've grown up now  
I wish you'd never shown up but you showed up

Sign me up for trouble make a mess of me  
Free me from my sorrow bring me to my knees  
Sign me up for trouble make a mess of me  
Maybe all this trouble is all I ever need all I ever

I don't mind we seem to be going nowhere  
I'd like to go there  
Time is on our side until it's over  
You can show me  
How you carry love so lightly  
Unaware uncompromising  
How your light is always shining through me

I wish I'd never grow up but I've grown up now  
I wish you'd never shown up but you showed up

Sign me up for trouble make a mess of me  
Free me from my sorrow bring me to my knees  
Sign me up for trouble make a mess of me  
Maybe all this trouble is all I ever need all I ever

Sign me up for trouble make a mess of me  
Free me from my sorrow bring me to my knees  
Sign me up for trouble make a mess of me  
Maybe all this trouble is all I ever need all I ever

Sign me up for trouble make a mess of me  
Free me from my sorrow bring me to my knees  
Sign me up for trouble make a mess of me  
Maybe all this trouble is all I ever need all I ever

What you've done to me  
What you've done to me  
What you've done to me  
What you've done to me
