Bear the scars  
Servitude to the light

Servitude to the light

Servitude to the light  
I've found solace  
Upon the throne of the owned  
Cinder and corpse remain  
For their memories  
Echo within  
Yet I bear the scars

All my life  
Built up resilience  
Fought off the evil  
Not this time  
I no more service  
I am not worthless  
You are not worth this

Seek  
The  
Flame  
Liberate, liberate

Seek  
The  
Flame  
Liberate, liberate

Seeking the profaned flame  
To reset and begin again  
Liberate  
Liberate

Servitude to the light  
I've found solace  
Upon the throne of the owned  
Cinder and corpse remain  
For their memories  
Echo within  
Yet I bear the scars

Servitude to the light  
I've found solace  
Upon the throne of the owned  
Cinder and corpse remain  
For their memories  
Echo within  
Yet I bear the scars

I bear the scars  
I bear the scars

Not this time  
I bear the scars

Not this time  
I bear the scars

I bear the scars

Servitude to the light  
I've found solace  
Upon the throne of the owned  
Cinder and corpse remain  
For their memories  
Echo within  
Yet I bear the scars

Servitude to the light  
I've found solace  
Upon the throne of the owned  
Cinder and corpse remain  
For their memories  
Echo within  
Yet I bear the scars

Seek  
The  
Flame  
Liberate, liberate

Seek  
Seek  
The
