

## Two Spirit

Chelsea Wolfe

Two spirit  
Two spirit  
Two spirit  
Two spirit

Time sped up and slowed down  
Without regard for anyone  
I called out from the deepest part  
I feel concave  
Inverted for you  
I'll be screaming through the afterlife  
I'll be hunting for you  
Buried under flowers

Two spirit  
Two spirit

I want it back  
I want it back  
What was taken from me  
I want it back..

"so stop running  
From the weight of existence  
Show me your insides  
Show me what's underneath  
Show me your bruises  
Be your own god"
