

## Right to Work

Chelsea

Standing around just  
For seven days a week  
I won't even get no signing on fee  
I feel ripped of, yeah  
Hey, what about you?  
Where was I born,  
what are we gonna do?  
But this I say

We have the right to work x4

I don't even know what tomorrow will bring  
But let me tell you, having no future is a terrible thing  
Standing around just waiting for a career  
I don't take drugs and I don't drink beer  
But this I say

We have the right to work x4

Yes we do!  
I don't even know what tomorrow will bring  
Having no future is a terrible thing  
Standing around just waiting for a career  
I take lives and drugs  
And I'm pissed up yeah, 'cause I'm a nutter

We have the right to work x4.
