The breaths that I will take today
The places that I will rest in today
I'm living like this today
The dreams that I dreamed last night
That I left on the bottom of my bed
Covers my exhausted heart
As I close my eyes, it's alright
In a shape that's a bit different from others
I fall asleep alone
When morning comes again and I open my eyes
I want to smile
On a night like tonight
If I can stay in this dream
If I can hope for things I can't
If I can not be afraid, just like you
On a day like today
When old tears that I thought dried up, flow again
My small heart that hasn't fallen asleep
Breathes
Like the birds that fly
In the endlessly far sky
I don't wanna look back
Past this road, Spring is somewhere
Rain falls on the strengthlessly stopped world
So today grows again
I'm living that day
On a night like tonight
If I can stay in this dream
If I can hope for things I can't
If I can not be afraid, just like you

On a day like today
When old tears that I thought dried up, flow again
My small heart that hasn't fallen asleep
Breathes
My lonely day
Breathes
