Broken party, yeah

Broken party

Mmh, yeah

Mmh, yeah

This place that's disappeared is gone without a trace

In this cold space, I'm just tracing my memories

In this entangled time, I'm the only one left

Why, why, tell me why?

I'm left alone

Oh, welcome to my broken party

I remember dancing and singing along

I'm dancing with my broken memories, baby

Always, yeah

Sometimes I'm lonely

Feels like there's no home for me

No home for me

You and I dance on top of my broken heart

Why, why, tell me why?

I'm left alone

Oh, welcome to my broken party

I remember dancing and singing along

I'm dancing with my broken memories, baby

Always, yeah

Falling apart everytime I breathe

You and I were everything, yeah

I miss those days when we used to laugh like children

Why, why, tell me why?

Welcome to my broken party

I remember dancing and singing along

I'm dancing with my broken memories, baby

Always, yeah

Broken party, yeah

Broken party

Mmh, yeah

Mmh, yeah
