There's a place that can't be filled without you
A place where your warmth still lingers
Memories left empty-handed, nothing to give but my heart
That time has now passed

I could've given you everything, but you needed to be here
I was left alone in an empty house

In this empty night sky, in this empty room
I'm wandering beyond the end of an open plain
We can't turn back time
So I'll hold on to only the good memories
Without you, this place is just an empty house for me

There's a place where I can't fall asleep without you
A place where your image remains, just familiar memories

Every moment was happy because you were my home
I thought you'd always be by my side

In this empty night sky, in this empty room
I'm wandering beyond the end of an open plain
We can't turn back time
So I'll hold on to only the good memories
Without you, this place is just an empty house for me

Alone in this empty space
I tell myself "Tomorrow it'll be okay"

The time that stopped on that difficult day is finally passing by
We can't turn back time
So I'll hold onto only the good memories
I hope you're happy wherever you are
