

# Beautiful People

Cher Lloyd

**Em** **G** **C**  
1. It's my last big breath what you want me to do?  
**Em** **G** **C**  
When you act all cool like you already knew  
**Em** **G** **C**  
That I'll be stuck here cold just waiting it through  
**Em** **G** **C**  
'Til your heart starts beating for that somebody new  
You know that it's true

**Am** **D**  
R: 'Cause it's beautiful people like you  
**G** **Em**  
Who get whatever they want  
**Am** **D**  
And it's beautiful people like you  
**G** **Em**  
Who suck the life right outta my heart  
**Am** **D**  
And it's beautiful people like you  
**G** **D** **Em**  
Who make me cry  
**Am** **C** **Am**  
'Cause nobody else could be nearly as cruel as you

2. It's a wicked game that you're making me play  
Where I crawl back home as you're walking away  
And it's all quite clear what you want me to say  
But you'll be so long gone if I ask you to stay  
You know that it's true

R: 'Cause it's beautiful...

\*: Hey, hey, hey  
Hey, hey, hey

3. It's my last big breath what you want me to do?  
When you act all cool like you already knew

R: 'Cause it's beautiful...
