

# Bittersweet

**Cher Lloyd**

You put a gun to my head  
I didn't know what was happening  
You had me climbing the walls  
I could taste the adrenaline

You said the world was at war  
And we'd fight them all  
And only time will tell  
If you don't whether the storm  
You'll get caught up in the wind

If love is a war  
Then I'll be your soldier  
And if I fall  
You'll be my saviour  
You'll be my saviour  
You'll be my saviour

I'm holding on  
You're holding on  
You make it hard to breath  
I'll carry you  
You'll carry me  
Your love is bittersweet  
It's bittersweet  
It's bittersweet  
Your love is bittersweet  
I'm holding on  
You're holding on  
Your love is bittersweet

You look me deep in the eyes  
I can feel my heart racing now  
It's like you can read my mind  
When I struggle to scream it out  
Knock me down to the floor  
But I still want more  
And only time will tell  
You brought me back to life  
But only to kill me now

If love is a war  
Then I'll be your soldier  
And if I fall  
You'll be my saviour  
You'll be my saviour  
You'll be my saviour

I'm holding on  
You're holding on  
You make it hard to breath  
I'll carry you  
You'll carry me  
Your love is bittersweet  
It's bittersweet  
It's bittersweet  
Your love is bittersweet

I'm holding on  
You're holding on
