

Hot N Cold

Cher Lloyd

You change your mind,
Like a girl changes clothes,
yeah you are a mess, like a someone
I would know,
And you over think,
Always speak critically,
I should know,
That you're no good for me.

Cause you're hot, than you're cold,
You're yes, then you're no,
You're in, then you're out,
You're up, then you're down,
You're wrong,
When it's right,
It's black and it's white,
We fight, we break up,
We kiss, we make up.

(You) you don't really,
Wanna stay no,
(but you) sure you really
Wanna go-o
You're hot, then you're cold,
You're yes, then you're no,
You're in, then you're out,
You're up, then you're down.

You change your mind,
Like a girl changes clothes,

Cause you're hot, than you're cold,
You're yes, then you're no,
You're in, then you're out,
You're up, then you're down,
You're wrong,
When it's right,
It's black and it's white,
We fight, we break up,
We kiss, we make up.

(You) you don't really,
Wanna stay no,
(but you) sure you really
Wanna go-o
You're hot, then you're cold,
You're yes, then you're no,
You're in, then you're out,
You're up, then you're down.
