

Baby let me love u down,
there's so many ways to love ya
Baby I could breake you down,
there's so many ways to love ya
Got me like oh my gosh I'm so in love

Found you finally and make me to want to say,
Wah, oh, oh, oh, oh, ou,
Wah, oh, oh, oh, oh, ou,
Wah, oh, oh, oh, oh, ou
Oh my gosh

I fell in love with honey,
when I seen him on the dance floor
He was dancing sexy Po-po-po-poppin' droppin' droppin'low
Never ever has a man hit me on the first sight
He was something special he was just like dinamite

That boys got some buns like
wow, wow, wow
That mans got some guns like
pow, pow, pow
Boy you know I'm lovin your,

Check, check, check ch-
checking you out like,
Oh baby you got it all
sexy from your head to toe,
and I want it all and on, and on

Honey let me love you down
there's so many ways to love ya
Baby I could breake you down,
there's so many ways to love ya
Got me like oh my gosh I'm so in love

Found you finally and make me to want to say,
Wah, oh, oh, oh, oh, ou,
Wah, oh, oh, oh, oh, ou,
Wah, oh, oh, oh, oh, ou
Oh my gosh
