

# Do You Believe in Magic

Cher

Do you believe in magic  
In a young girl's heart  
How the music can free her  
Whenever it starts  
And it's magic  
If the music is groovy  
And it makes you feel happy  
Like an old time movie  
I'll tell you about the magic  
That'll free your soul  
But it's like trying to tell a stranger  
About a rock 'n' roll  
If you believe in magic

Don't bother to choose  
If it's jug band music  
Or rhythm and blues  
Just go and listen  
It'll start with a smile  
That won't wipe off your face  
No matter how hard you try  
Your feet start tapping  
And you can't seem to find  
How you got there  
So just go blow your mind

If you believe in magic  
Come along with me  
We'll dance until morning  
'Til there's just you and me  
And maybe if the music is right  
I'll meet you tomorrow  
And we'll go late at night  
And we'll go out dancing  
Baby, then you'll see  
How the magic's in the music  
And the music's in me, yeah  
Do you believe in magic

Believe in the magic of a young girl's soul  
Believe in the magic of a rock 'n' roll  
Believe in the magic that will set you free  
Do you believe like I believe  
Do you believe like I believe  
Do you believe like I believe  
Do you believe like I believe
