

# It Ain't Necessarily So

Cher

It ain't necessary so  
Ah, it ain't necessary so  
The things that you're liable  
To read in the bible  
Ain't necessary so

Now little David was small  
But, oh, my  
David was small, but, oh, my  
He slew Goliath  
Who lie down and dieth  
David was small, but, oh, my

Jonah, he lived in a whale  
Oh, Jonah, he lived in a whale  
Man made his home in that fish's abdomen  
Jonah, he lived in a whale

Ah, to get into heaven  
Don't snap for a seven  
Live clean, don't have no faults  
I take that gospel whenever it's possible  
With a grain of salt

Little Moses was found in a stream  
Little Moses was found in a stream  
He floated on water  
Till ole Pharaoh's daughter  
Fished him, she says, from that stream

I said to get into heaven  
Don't snap for a seven  
I'll live fresh, have no faults  
But I get my gospel whenever it's possible  
With a tiny hint of salt

Methuselah lived nine hundred years  
I said Methuselah lived nine hundred years  
Who calls that living  
When no gal will give in to no man  
That's nine hundred years

'Cause it ain't necessary so  
I said it ain't necessary so  
Ain't necessary so  
I said it ain't necessary so
