

# This Will Be Our Year

**Cher**

The warmth of your love's like the warmth of the sun  
And this will be our year, took a long time to come  
Don't let go of my hand, now the darkness has gone  
And this will be our year, took a long time to come

And I won't forget  
The way you held me up when I was down  
And I won't forget the way you said  
"Darling, I love you, you gave me faith to go on"

Now we're there and we've only just begun  
And this will be our year, took a long time to come

The warmth of your smile, smile for me, little one  
This will be our year, took a long time to come  
Don't have to worry, all your worried days are gone  
And this will be our year, took a long time to come

And I won't forget  
The way you held me up when I was down  
And I won't forget the way you said  
"Darling, I love you, you gave me faith to go on"

Now we're there and we've only just begun  
This will be our year, took a long time to come

And this will be our year, took a long time to come
