Woman's World

I'm dancin' solo In the dark on the club floor I need to let it go Shake it off stop thinkin' 'bout you I lose myself in the beat of the drum Tryin' try-tryin' to forget what you done done But honey this is a battle that you haven't won Torn up, busted, taken apart I've been broken down Left with a broken heart But I'm stronger Strong enough to rise above This is a woman's world This is a woman's world Tell the truth This is a woman's world Tell the truth This is a woman's world And I'm stronger Strong enough to rise above This is a woman's world This is a woman's world Tell the truth This is a woman's world Tell the truth This is a woman's world And I'm stronger Strong enough to rise above This is a woman's world This is a woman's world Love Hurts, your lies, they cut me But now your words don't mean a thing I don't give a damn if you ever love me 'Cause it don't matter I'm movin' on Go-gonna lose myself in the beat of the drum 'Cause honey this is a battle that you haven't won Torn up, busted, taken apart I've been broken down Left with a broken heart But I'm stronger Strong enough to rise above This is a woman's world This is a woman's world Tell the truth This is a woman's world Tell the truth
