

7 Days A Week

Cherrelle

Sitting here looking out my window
Waiting for the phone to ring, you see
I, I close my eyes thinking 'bout
The times we shared together
Oh, how I love to do it again

You see, I don't wanna waste my time
If you're not serious
(If you're not serious)
Oh, no (Oh, no)
Oh, no
And I don't wanna waste your time
If you're lucky to find
A temporary lover

'Cause I don't need
A Friday night lover
Part-time lover
I need love 7 days a week
I don't need
A Saturday night lover
24/7 is all I need
7 days a week

You say you've changed
Wanna try it again
You say you had your share
Of playing the field, ooh
It's a shame with you
I don't know what's real
Tell me, tell me what's the deal

You see, I don't wanna waste my time
If you're not serious
(If you're not serious)
Oh, no (Oh, no)
Oh, no
And I don't wanna waste your time
If you're lucky to find
A temporary lover, ooh

I don't need
A Friday night lover
Part-time lover
I need love 7 days a week
I don't need
A Saturday night lover
24/7 is all I need
7 days a week, you see

I've had my share of love affairs
Broken dreams and misery
I want real love, not a week in time
And you can wind up just to put me down
