

# Discreet

Cherrelle

What song are we doing now, Jimmy Jam?

Whoo!

Somebody help me

Ow! Whoo!

Not a word from my lips  
'Cause I know loose lips sink ships  
Never seen, never heard  
Call me sneaky, but this is my word

Discreet, whoo!  
Discreet  
(Ooh-ooh-ooh-ooh)  
Discreet  
Discreet, whoo! Ooh, hey  
(Ooh-ooh-ooh-ooh)

From my mouth to your ears  
Out your mouth and now it's everywhere  
Like a virus spreading flu  
You can run, but the gossip will find you

Discreet, whoo! Mmm-mmm  
Discreet, right, right, one more time, whoo!  
(Ooh-ooh-ooh-ooh)  
Discreet, yeah, ooh, ooh  
Discreet, oh, let me tell you  
(Ooh-ooh-ooh-ooh)

Discreet, don't put my memories in discreet  
Discreet, tell all my friends where we meet  
(Ooh-ooh-ooh-ooh)

You wouldn't give your money to someone else  
(Your money)  
To spend the wrong way  
So why give someone else's ears  
Something for their big mouths to talk about  
(Discreet, discreet)

Where I go, who I see  
What I do, it's my business  
If there's something between us two  
There's one thing: I ask you

Discreet, oh, spreading over here, baby  
Discreet  
(Ooh-ooh-ooh-ooh)  
Discreet, be a little careful darling  
Discreet

Don't you, don't you  
Don't you go out with Alex?  
Right, I thought so

Discreet  
Whoo!

I hate to be the bearer of bad news  
But, girl, you wouldn't believe what I heard

Discreet

He was, he was, he was all over her

Discreet  
Spitting on my name  
Spreading all over town

Hey, well, look, just don't say I said anything

Discreet, whoo!  
Discreet  
Discreet, whoa  
Discreet  
Discreet  
Discreet, ooh-ooh-ooh-ooh  
Discreet  
Discreet  
Discreet
